

We are going on a Field Trip!

Your student will be out of the building during the regular lunch period. If you would like your child to have the school provide them with a sack lunch please indicate that on the form below.

Reminder:

These are regular school lunches and qualify for the Free and Reduced Price Meal Program. If you normally pay for your child's meals we will apply the charges to your child's account or you will need to send the normal payment.

Sack Lunch Needed

Please provide my child with a sack lunch for the upcoming fieldtrip. I understand that my student's meal will need to be accounted for and/or paid for like their regular school meals.

Student Name: _____

Parent Signature: _____
