Reduced	\$.30	\$.40
Adult	\$1.75	\$3.75 and \$4.00

Students may charge their lunch if they forget their lunch or lunch money. They are expected to pay for the meal on the next school day. If, however, a student does not pay the next day and has an outstanding balance greater than \$7.50 they will not be allowed to get a regular lunch until the balance is paid. Students with an outstanding charge balance greater than \$7.50, who forget their lunch or lunch money, will be provided an alternative lunch of a cheese sandwich, vegetable and white milk. The cost of the alternative lunch will also be charged to their account. After a second alternative meal has been provided they will be referred to the Food Service Director who will contact the students' parents to make alternative arrangements for school lunches. Once the outstanding balance has been paid, the student may once again charge their lunch in the event they forget their lunch or lunch money.
