### Dear Grant Parents/Guardians:

The Ferndale Schools offer several wonderful program options, **Roosevelt Primary School** (Brain-Based Classrooms and Open Classroom Program), and **John F. Kennedy School** (Open Classroom and Multi-Age Programs). For kindergarten, both schools offer an outstanding full-day of instruction.

If your child is already enrolled at Grant Early Childhood Center, you will not need to complete a new enrollment form, but you will need to let us know you will be continuing in the Ferndale Schools, provide new proof of residency in the Enrollment Office, and provide up-to-date immunization records.

**Siblings:** According to the Ferndale Schools Guidelines for Magnet School Enrollment, siblings of students already enrolled in magnet programs have priority, automatic enrollment in the same program. If you are interested in the same program as a sibling, please check the program name below, and list the sibling names. You may also participate in the lottery for other programs, as noted below.

My child has a sibling enrolled in the following magnet program.
