Reuniting with Alumni

Dear Alumni,

I would like to welcome you back to Ferndale Athletics. As the new athletic director, I want to extend this invitation to join the Ferndale Varsity Club. It is my hope, along with the coaching staffs, that we can rekindle the Eagle Pride that was once so prevalent. Having been part of several successful programs, and teaching and coaching in Ferndale for 15 years, I realize the importance of having alumni involved and being a part of the athletic program. Your membership will allow us to reach those goals.

There are many benefits to being a member as mentioned in this brochure. Through different alumni nights, and social gatherings you can again be part of Ferndale Athletics as we strive towards excellence.

Thank you for your support,

Shaun Butler
Athletic Director
