Important School News

This week we began our Celebration Assemblies for students who have academic and/or attendance success for the first semester. **The following is a list of our students in First, second and third grade who received reading &/or math awards for working at or above grade level:**

School Safety Reminders

The car circle is going to be crowded due to the amount of students we have and our families who drop off and pick up students. We ask that you remember the courtesy & safety procedures in place:

1. Use **ONLY** the car circle lane to drop off your child, using the passenger side door for your child to enter & exit out of.
2. If you would like to bring your child into school you need to park in a designated parking spot.
3. Please remember that we can't back up Pinecrest so please drive to the next street and come around to pull into the school.

All of our rules are for the safety of your child.
