Eagles Volleyball Philosophy

Volleyball played well is a thing of beauty. Few athletic endeavors require as much teamwork; rarely does a sport reward hard work so completely. Athletes who study the game and apply the lessons learned, relish every opportunity to practice and play. Spectators who watch competitive volleyball for the first time are easily hooked.

Your Eagles coaches love volleyball. We are committed to you as students, as athletes and as young women. It is our goal to provide every opportunity for you to become as good as you want to be. More important, we strive to help you and your teammates become the best team you can be.

*Put the team before yourself.*

As an Eagles volleyball player, you agree that the team is paramount. Your individual goals and your team’s goals do not necessarily conflict, but when they do, you accept that decisions are made for the good of the team. Successes are sweeter – setbacks sting less – when they are shared.

Volleyball games/practices will run Monday through Thursday. Sunday practice time TBD.

Practices begin at 3:15 pm and will end around 5:15 pm. Players must arrive at least ten minutes early (3:05 pm) to set up nets and other equipment. Players are expected to start their dynamic stretches at 3:15 pm exactly. Net tear down will begin at 5:15 pm and should take approximately ten minutes (5:25 pm). All equipment and supplies must be put away before any player may leave; leaving beforehand is unacceptable.

Players need to come to practice prepared, this means appropriate athletic clothes/supplies (knee pads, water, etc.), a good attitude and readiness to work.
ABSOLUTELY NO CELL PHONES DURING PRACTICES/MATCHES.

They must be silenced and out of site. As coaches we will enforce and track these things. If a player needs to have their phone on and/or needs to check their phone during a practice they must clear it with their coach first. Otherwise, there will be a consequence and they will be benched if this reoccurs.
Transportation

All players must go to and from the contest with the team. Any exceptions must be cleared with the Coach and/or Athletic Office PRIOR to the event.

Those players who drive must park in the STUDENT/FACULTY parking lot ONLY. Those who decide to park in the administrative parking lot will be ticketed.
Google Calendar

FHS athletic website has a Google Calendar with practices, matches, tournaments, and more! Be sure to read the notes section.

Playing Time Policies

**Junior varsity** will provide playing time for all players, but it will be based on talent level, practice participation and coaches judgment. While all students will see some action in games, we want to prepare them for varsity level where competition is priority.

**Varsity** sports are expected to be competitive and playing time is determined on skill level and practice performance. Winning as a result of game preparation, hard work and team effort, while practicing good sportsmanship and class. Every member of the varsity team will be informed of their role from the coach prior to the beginning of competition.
Academic Policies

Coaches will run weekly progress report to monitor players’ academic standing. **Players not performing at a C or above will be sent to study table.**

Study table takes place every Wednesday in the Nest from 2 - 2:45 pm. Players must check in with their team manager. Failure to show up for study table will result in consequences.
Attendance Policies

Attendance is required for all practices, matches, tournaments and team related activities. If a player is going to be absent, it is the player’s responsibility to submit their excuse (date and reason) to their team manager. Team managers will provide daily reports to the coaching staff. Unexcused absences will be handled according to three steps:

- **First offense**: Warning, loss of playing time
- **Second offense**: Full game suspension
- **Third offense**: Week suspension

After the third offense, a parent meeting will be held with coaching staff and Athletic Director to review team membership. Playing volleyball is a privilege, not a right.

*If a player is injured and unable to participate in practice, attendance is still mandatory. When player provides doctor clearance to coach, they may immediately start playing.*
24-Hour Policy

We will enforce the “24 Hour Policy” for players and parents. This means no one is to approach a coach or speak with a coach until 24 hours after a game/scrimage. Things can get heated and out of control quickly--that is why this policy is in place. 24 hours gives players, parents, and coaches a "cooling off" period and time to think more rationally. Players should approach coaches with concerns, not parents, to encourage independence and open communication. If coaches are approached by a parent/player before the 24 hour window, then coaches will respectfully reschedule the conversation for another time.
Uniforms/Clothing

Players are responsible for taking care of uniforms. This means they must be cleaned after each game. Players must return uniforms to coaches at the end of the season. Players who have lost or damaged uniforms will be responsible for paying to replace their uniform (anywhere from $50-$70).

Players are required to purchase this years shirt; they may choose between short and long sleeve. http://www.eagraphics.com/ferndalevolleyball

All players are required to have knee pads; ankle braces are optional. Players must wear all black spandex or athletic shorts for game day. No stripes or patterns of any kind.
