then in the order of their seniority. Should the Board determine that no bidding employee
meets the criteria of the previous sentence, the Board may then hire from outside.
Bidding Bargaining Unit employees shall be considered for all positions within the Unit
before outside hiring considerations are undertaken. An employee, who bids on an

B. Beginning July 1, 1986, regular part-time employees who promote to a regular full-time 8 hour position, will have their regular part-time service pro-rated in establishing their full-time seniority ranking. If this employee later returns to part-time status, their former part-time seniority ranking date will be restored.

The pro-ration will be based on the length of their normal scheduled work day at the time of promotion, over a standard eight (8) hour work day; i.e., 3 1/2 hour part-time day is pro-rated as 3 1/2 divided by 8 equals the pro-ration percentage (44%), to be applied against the years of part-time service.

The Custodian I will then fill in for the assistant head on the appropriate shift.

All second shift employees shall report to the head custodian by 11:00 a.m. on the day of absence. All third shift employees shall report to the Head Custodian and Maintenance Office by 2:00 p.m. but no later than 4:00 p.m. on the day of absence. Failure to so notify by 4:00 p.m. shall result in the loss of pay for the day, except in the case of extenuating circumstances, subject to approval by the Superintendent or its designee.

In addition to the above, ALL EMPLOYEES must use the central call in procedures. This system can also be accessed by the computer. In either case, it is still the responsibility of the employee to notify their supervisor(s) in a timely manner.

11.3. July 1st of each year every twelve month employee who has completed one (1) year of service in the district shall be credited, in advance, with twelve (12) sickness days and 3 personal days for that year. Such days are to be placed in the personal sick bank. An employee may accumulate up to 200 days in a personal sick bank to be used for personal sickness and for sickness or death in the immediate family. If an employee has been paid sick leave from the current allowance for a number of days in excess of the number of months worked during the period from July 1st and leaves active employment in the district the overpayment will be deducted from the employee's final check or other monies owed him/her by the Board. Any employee days accumulated over the maximum number of 200 days will be added to the AFSCME sick bank at the beginning of each year.

11.4. The Board may, in appropriate cases, require a doctor's certificate in corroboration of the claimed illness in order to qualify for sick day pay.

11.5. An employee may use three (3) days of their current allowance each year for personal business. Personal business leave must be applied for using the online absence management system (AESOP), with specific reason, a week in advance, whenever possible, for the Supervisor of Maintenance and/or Director of Operations approval or that of the designated representative.

A personal business leave day shall not be granted for the day preceding and the day following holidays or vacations; the first and last day of the work year, except for matters of an emergency nature allowable at the discretion of the Supervisor of Maintenance and Transportation and/or Director of Operations.

11.6. A leave of absence will be granted an employee called for jury service. The Board shall pay an amount equal to the difference between the employee's daily salary and the daily jury duty fee paid by the Court (not including travel allowances or reimbursement of expenses for each day on which the employee reports for or performs jury duty and on which he/she otherwise would have been scheduled to work).

11.7. Upon the recommendation of a physician, health leave outside of FMLA time shall be granted for a period up to one (1) year. An extension may be granted only upon the approval of the
Superintendent, based on review of a physician’s recommendation. When the employee’s health permits his/her return, he/she shall so request the Superintendent, in writing, and submit a statement from a physician certifying fitness to return. The employee shall return to the same or equal position with accumulated seniority.

11.8 An employee, after two years of continuous service with the district, will be eligible for an unpaid leave of absence for a period of up to one (1) year without loss of seniority, for the following purposes:

1) Elected or appointed to a union position outside the district.
2) Elected or appointed to public office.
3) Serious illness in the employee’s immediate family requiring constant care by the employee, substantiated by a statement from the attending physician.
4) To take educational courses.
5) Child Care

Such leave may be renewable for an additional period of up to one (1) year at the discretion of the Superintendent or the designated representative.

All requests for leaves of absence must be submitted in written form.

If requested in writing by the employee at least thirty days prior to the expiration of any leave of 90 days or less, he/she will be reinstated in his/her original or equal position. For leaves of over 90 days, he/she will be reinstated in the first available opening for which qualified.

11.9. Employees who enter the Armed Service of the United States while employed by the Board shall be given all of the benefits accorded them by the Universal Military Training and Service Act, as amended.

11.10. The Employer will comply with all relevant and applicable provisions of the Family and Medical Leave Act of 1993.

11.11. As a group, the Union shall have a maximum fifteen (15) scheduled work days per school year of release time as paid personal days to allocate to its members for Union business. Members will apply for such release time on the regular personal leave application form in the usual manner; however, the application form must have the signature of the Local 160 president before it is submitted to the building administrator for approval.

</tr>
</tbody>
</table>

12.2. In addition, the following holiday-related time off with pay shall be granted:

The day following Thanksgiving

B. When July 4th falls on a Tuesday, Wednesday, or Friday, July 3rd shall be the related holiday;
C. When July 4th falls on a Saturday or Sunday, the following Monday and Tuesday shall be observed as the holiday and holiday-related day.
D. The parties agree that in the event the language in 2.A., 2.B., or 2.C. above would cause the school district to celebrate the holiday and/or the holiday-related day on a date or dates that are out of sync with local, state or national practice, the Board may schedule the holiday and/or holiday-related day to synchronize the school district with governmental and private employers.
E. The Board has the right to provide notice to employees for the need for their services on the Friday prior to Labor Day provided that notice is given within one week of this Friday. Such services shall be performed at regular pay. Those employees who are called into work on this day shall be provided an opportunity to make up the holiday related day at a date to be agreed upon by the employee, supervisor and the Board. In the event an employee is required to work on the Friday preceding Labor Day and proper notice has not been provided, such situations will be governed by Article 8.1 and the employee shall also be entitled to the holiday related day as previously described in this paragraph.
F. Friday before Labor Day will become a regular workday. Each bargaining unit member eligible for such days will be given one floating holiday to be arranged with mutual agreement of their supervisor.

12.3. Employees shall be eligible for pay on holidays and holiday-related days provided they have worked their last scheduled day prior to and their next scheduled work day following the holiday or holiday-related day, unless they are on vacation, or are using a pre-approved personal business day or have supporting medical documentation of a personal illness.

12.4. All custodial and maintenance employees shall receive an annual vacation as follows:
A. All custodial and maintenance employees, during their first five (5) years of employment, shall receive two (2) work weeks of annual vacation with pay for 80 hours (exclusive of legal holidays) after one (1) year of service prior to July 1; those with less than one (1) year of service prior to July 1 shall receive a prorated amount of vacation according to the length of such service.
B. All custodial and maintenance employees who have completed five (5) years of employment prior to July 1 shall receive three (3) work weeks of annual vacation with pay for 120 hours.
C. All custodial and maintenance employees who have completed twelve (12) years of employment prior to July 1 shall receive four (4) work weeks of annual vacation with pay for 160 hours.

12.5. Vacations for custodial and maintenance employees shall be computed from July 1 through June 30. The vacation allowance to which an employee is entitled shall be determined by the number of years of service he has completed by June 30 of a given year and will be posted and scheduled. Vacation allowance shall be prorated during the first year of employment to the nearest half day (based on 5/6 of a day per month of service to June 30).

12.6. Vacation allowance may not be accumulated from one year to the next except on the basis of written request, which must have the approval of the Superintendent or the Board's representative.

12.7. A. Vacations shall be scheduled at a time when this will not unduly interfere with or hamper normal operations of the school system. Insofar as it is possible within this limitation vacations shall be scheduled at a time satisfactory to the employee. For the vacation periods at Christmas and Easter, one (1) employee from each elementary and middle high school and
one third (1/3) of the employees on a shift from the senior high school may be allowed to take
vacation time. When employees in the same building request the same vacation period,
preference shall be given to the employee(s) with the greatest district-wide seniority.
B. Vacation pay will be paid to a requesting employee on the last regular pay day preceding the
first day of the vacation period provided notice has been presented to the Business Office, in
writing, fourteen (14) calendar days prior to such regular pay day.
C. All vacations requests for the upcoming summer months must be approved by the Building
Administrator and submitted to the Supervisor of Maintenance by May 1st of each year.
Final approval will be made by the Supervisor of Maintenance and Director of Operations
and return to the Building Administrator as soon as possible but no later than May 15.
Approval will be communicated in writing to both the Building Administrators and the
employee.
D. No vacation will be granted during the last week of school or the two weeks prior to the start
of school unless approved by the Director of Operations.
E. Any other vacation requests need to be submitted at least 21 days prior to the start of the
vacation. Approval will be communicated by the Supervisor of Maintenance no later than 7
days after receipt of the request.

- Non-Supervisory Head Custodian: $12.76 $14.03 $15.55 $18.11 $19.90 $20.72

For 2018/19, parties agree to reopen for negotiations of an enrollment bonus only.

The parties hereby agree that the salary schedule for the position of “Ferndale High School Head Custodian” is a separate and distinct pay rate based on the size of the facility, the number of employees assigned to the facility, the number of programs housed in the facility, and the number of students enrolled in the facility. It is further agreed that no other building in the district is in anyway comparable to the Ferndale High School/Middle School Campus and for that reason Head Custodians assigned to other buildings which may have programs providing instruction to high school age students do not qualify for pay rates equivalent to those paid to the Head Custodian at Ferndale High School.

**Stipends**

a) Annual stipend for the Head Custodian at Ferndale High School in the amount of $525 for required pool certification and must be current.

b) Mechanic certification and/or SAE Certification if such certifications are required for the job for which the employee is regularly assigned in the amount of $525 per certification ($1,050 combined).

c) The position of Maintenance I Field Advisor shall receive an annual stipend of $1,100.
14.1 Step Increases

1. Employees hired between July 1st and December 31st of any school year will receive their first step increase effective July 1 of the following school year and each July thereafter.

2. Employees hired between January 1st and June 30th of any school year will receive their first step increase effective the second July following their date of hire and each July thereafter.

14.2. Employees covered by this Agreement who are assigned to the second shift shall be paid a differential rate above their regular rate of twenty cents ($0.20) per hour. This differential rate adjustment will commence for employees who start work at 12:01 p.m. or later. Employees covered by this Agreement who are assigned to the third shift shall be paid a differential rate above their regular rate of thirty five cents ($0.35). This differential rate adjustment will commence for employees who start work at 7:01 p.m. or later. Shift premium will not be paid to an employee working time and a half or double time.

14.3. The compensation for all employees shall be paid bi-weekly while they remain in the employ of the district.

14.4. When an employee is assigned to a higher position to replace an employee on an extended leave he/she shall, beginning on the sixth (6th) working day, receive a pay rate one (1) step higher than his/her regular rate. After having served a total of thirty (30) working days he/she shall receive the pay rate for the position he/she is filling that would have been received if promoted to that position. An employee at the maximum of his/her pay scale shall, on the sixth (6th) working day, receive the pay rate for the higher classification as would have been received if promoted.

**Longevity**

14.5 Longevity earnings will be paid to all eligible 12 month employees consistent with the amounts below. Amounts will be prorated at a 75% payout for all eligible 10 month employees. The appropriate longevity payment shall be made on the earliest payday in the month of July. The payment made in July is for that fiscal year and therefore made in advance. The first day of the fiscal year, July 1, shall be used to determine years of service for longevity purposes.

Longevity payments shall be given annually upon completion of the 10th, 15th and 20th full years of continuous service, except as otherwise provided herein for pro-rated payment. The payment for the above three- (3) steps shall be:

<table>
<thead>
<tr>
<th>First five payments</th>
<th>$450.00</th>
</tr>
</thead>
<tbody>
<tr>
<td>Second five payments</td>
<td>$950.00</td>
</tr>
<tr>
<td>All other payments</td>
<td>$1750.00</td>
</tr>
</tbody>
</table>

The payments set forth above shall not be cumulative and years of service must be continuous.

Effective July 1, 1987, employees, newly eligible for the first longevity payment who have completed at least 9 years and 6 months of service, but less than 10 full years, shall receive a pro-rated 1st payment of the $450.00 amount. That pro-ration, based on complete months, shall be at 6/12, 7/12, 8/12, 9/12, 10/12, or 11/12. An employee thus pro-rated for their first payment at the $450.00 amount shall be similarly pro-rated as they begin the first year at the $950.00 amount or the $1750.00 amount.

Since longevity is paid in advance, an employee retiring after July 1 shall only be entitled to a pro-rated part of the July payment, and must return the non-entitled portion to the school district. Similarly, an employee who does not work the entire year due to unpaid leave (termination, resignation, unpaid leave) shall return the pro-rated portion of the longevity payment from the
previous July.

14.6. The Board will provide up to 3,000 dollars ($3,000) per year to fund voluntary in-service training each year for all custodial and maintenance employees. Credit for employees attending the Michigan School Bus Drivers Safety Education classes will be given. The union will have the authority to propose training programs and the corresponding allocation of training funds. Final approval of the programs and the disbursement of funds will rest with the management. Salary advancement for employees participating in these programs shall be granted as follows:

A. After completion of at least one hundred (100) hours of training, an increase of ten and no/00 dollars ($10.00) per month.
B. After completion of at least two hundred (200) hours of training, an increase to fifteen and no/00 dollars ($15.00).
C. After completion of at least three hundred (300) hours of training, an additional five and no/00 dollars ($5.00) per month increase (total - $20.00).
D. After completion of at least four hundred (400) or more hours of training, an additional five and no/00 dollars ($5.00) per month (total - $25.00).
E. The year for in-service training credits shall be from July 1 to June 30. In-service training credits payment shall be based on the number of credit hours earned as of June 30th, and paid the earliest possible pay period in the following December of each year.

SCHEDULE B

APPENDIX A Special Provisions for Bus Drivers

Bus drivers are entitled to all provisions of the Master Agreement which are appropriate and these special provisions:

A.1. Bus Drivers

a) A regular route will consist of a minimum of four (4) hours per day. This route may be made up of a trip in the a.m. and a trip in the p.m. Drivers will be paid for normal, regular hours worked within their classification, for sick days, holidays and vacation times. Field trip drivers will be paid an average six (6) hours. If the Board eliminates field trips, those drivers affected will be paid their normal hours worked. Six hours are meant to be the basis for calculating sick and vacation day pay for the following school year, not a guaranteed minimum for pay.

b) A driver will normally work a minimum twenty (20) hours on full scheduled five (5) day weeks, except during emergency periods.

c) Drivers will be allowed one- (1) hours pay each week for the washing of their bus.

d) Whenever possible, field trips and extra runs will be rotated among properly qualified bus drivers. However, such trips/runs shall not be assigned to a driver if the assignment, in any manner, interferes with the driver's regularly scheduled route. Drivers refusing such assignments will be charged as though they had accepted the additional work.

e) Drivers shall receive two (2) hours show-up time in the event they are not notified of cancellation.

f) Drivers electing to accept assignments during any school recess period (i.e., summer and other break periods) must submit a written request for any driving assignments to the Director of Transportation at least 2 weeks prior to the recess period. Such assignments shall be made on the basis of driver qualifications and seniority.

g) Any driver involved in an extended school year program will keep their runs when the other schools are out and work around their bus runs to make up their four- (4) hours. If they request and are granted additional work outside their classifications, they will be paid the appropriate summer wage.

h) When on a bus/truck run, bus drivers and truck drivers shall have a pay rate for wait time of $15.00 per hour. Additional wait time after 40 hours worked per week will be 1 ½ times the wait time rate of $15.00 per hour.

A.2. Interlochen Bus Trip

In order to insure the availability of the required number of drivers for the Interlochen Band Trip, the following will be order of selection:

a) Transportation mechanic

b) All central maintenance and bus drivers by seniority provided they possess the certification necessary to drive vehicles used in the trip

c) In addition, central maintenance and bus drivers must have worked the previous years transportation overtime and refused no more than 5 overtime assignments.

d) Central maintenance and bus drivers will only be considered for these assignments if they comply with Section 15.3 of the Master Agreement and request summer work at least two weeks prior to the end of the school year.

It is understood that this will be the start of the new school year's overtime board and that the drivers selected can be pulled off their regular runs so they can make this trip and this will not be considered in conflict with Schedule B.A.I.D.

A.3. Working Schedules
Drivers shall receive payment of one and one-half (1.5) time for work over forty (40) hours per week. Time worked on Saturday shall be paid at one and one-half (1.5) time and time worked on Sunday shall be paid at double (2) time.

A.4. Holidays and Vacation Days

Those days identified in articles 12.1 and 12.2 shall also be recognized for drivers as either paid holidays, or holiday-related time off with pay.

In lieu of the Friday before Labor Day which will now become a regular work day, each bargaining unit member who is eligible will be given one (1) floating holiday to be arranged with the mutual agreement of the supervisor.

Employees shall be eligible for pay on holidays and holiday related days provided they shall have worked their last scheduled day prior to and their next scheduled work day following the holiday or holiday related day, unless they are on vacation, paid sick leave, authorized personal business day, and have pay due during the pay period in which the holiday or holiday related day falls.

Drivers who are working in any job classification over the summer will be paid holiday pay for the July 4th and the July 4th related day, if working. Pay for these days will be for hours worked at the time and at the rate of pay they are making at the time. They must have worked their last scheduled day prior to and the next scheduled day after the holidays.

A.5. Vacation Payment

Regular bus drivers shall receive pay for five (5) days, for hours normally worked, if employed for more than six (6) months as of July 1. All employees, who have completed four (4) years of service as of July 1, shall be entitled to additional five- (5) days pay. Bus Drivers may schedule vacation so long as it will a) not unduly interfere or hamper normal operation of the transportation department and b) provided a request is made in writing to the Supervisor of Transportation at least two weeks prior to the requested vacation date. In so far as it is possible within these limitations vacations shall be scheduled at a time satisfactory to the employee. It is clearly understood that the scheduling of vacation is within the sole discretion of the Supervisor of Transportation.

A.6. Sickness Days

a) All bus drivers who have completed one (1) year of service in the district shall be credited at the beginning of the school year with ten (10) sickness days and three (3) personal days. The number of days for that year plus all previously accrued days, not used, shall be known as current allowance. Paid absence will be allowed up to the number of days in the employee's current allowance. New employees shall earn sickness days at the rate of one (1) day for each full month worked. Drivers are also eligible for all appropriate provisions of Article 11.

A.7. Insurance Protection for Bus Drivers

Pursuant to the conditions of Article 13, the Board shall provide insurance to bus driver employees as outlined below.

a) Health Insurance:
   1) The Board will provide fully paid medical benefits, as detailed in Article 13, for bus drivers and their immediate family members
   2) Bus drivers are also entitled to the provisions of Article 13, (dental and optical)
b) Life Insurance:
   Bus drivers shall be eligible for life insurance benefits as outlined in Article 13.

a) Driver Duties and Regulations
   The Board will compile duties and regulations for the control of its buses and their proper use for the benefit of drivers, students, and the Board.

b) Health Examinations
   1) For the protection of children, it shall be the policy of this Board of Education to require health examinations of new hires and employees as provided by law and Board of Education policy. All costs of examinations shall be paid by the Board.
   2) All employees absent for two (2) weeks or more because of illness or injury shall supply a letter from their physician certifying their fitness to return to work. However, the Board may require these employees or employees showing definite signs of impaired physical or emotional health to undergo an additional examination at the Board's expense.

c) In addition to the above, school bus drivers are required by Act 117 of the P.A. of 1957, as amended, to take and pass a physical and mental health examination before driving a bus at the beginning of each school year. The Board shall pay the cost of such examination which shall be performed by a Board sanctioned or appointed physician. Any bus driver who reports for work upon employment or at the beginning of a school year without presenting school bus driver medical examination record shall be required to furnish such test reports before being allowed to drive.

d) All reports from the above shall be filed with the office of administrative services.

e) Bus drivers disqualified from driving because they failed the required State Department of Education Road and Skills test shall be reassigned by the Board for up to thirty (30) work days or until they re-qualify for driving, whichever comes first. The rate of pay for the reassignment shall be the contract rate associated with the new assignment.

Drivers disqualified for any other reason shall be handled by the Board on a case by case basis as required by the Board and/or State law.

ACCIDENT REPORTS

All accidents, however slight, caused by or occurring on or near a motor coach, including any unusual occurrences, such as disturbance by passengers, etc., and all accidents resulting in personal injury or property damage shall be fully, properly, and completely reported by the employee involved upon report blanks provided by the insurance company. Such reports shall be prepared in conformance with insurance company rules and shall be delivered to the Board during the day on which the accident or occurrence took place, if possible, but in no event later than twenty-four (24) hours after the accident or occurrence took place.

ACCIDENT PREVENTION

The Union recognizes that accident prevention work is necessarily incidental to the operation of the Board's transportation system and that safety programs, safety meetings, and general accident prevention work is mutually beneficial both to the Board and its employees. The Union, therefore, agrees that it will encourage the employees to cooperate with the Board in such safety work.
